

A stylized, light gray illustration of a human eye is centered in the background. The eye is shown in a cross-section or schematic view, with various anatomical parts like the iris, lens, and retina indicated by simple lines and shading. The background is white with a faint, light blue grid pattern.

WELCOME!

West Virginia Academy of Eye Physicians &
Surgeons 2018 Scientific Conference

This Conference is brought to you by the support of the following companies. Please take a few moments out of your time here at the conference to visit their displays and interact with the representatives.
